Mr. Esa Sirviö Jakelu: Johtoryhmä

Dear Mr. Esa Sirviö,

This year Ronneby stands host to the 2016 Nordic town-twinning meeting with our Nordic friends. Ronneby would like to take this wonderful opportunity to establish friendly relationship between all our twin towns and we are very glad to invite you to Ronneby the 2-5 of June for a joint town-twinning meeting between Ronneby in Sweden, Høyanger in Norway, Mänttä Vilppula in Finland, Schopfheim and Steglitz-Zehlendorf in Germany, Elblag in Poland and Gherla in Romania.

We invite you and 4 additional representatives to Ronneby. An interesting programme will be prepared for your visit and to make an as good programme as possible we would like to ask you to as soon as possible indicate your interest in the following topics:

- Energy, environment and sustainable development
- Tourism and rural development
- Business development and innovation
- Integration and social inclusion
- Education and youth unemployment
- Sports, culture and health
- Care of senior citizens and active aging

Please if possible indicate the number of representatives from your delegation that will take part in each topic of interest and if there is anything in particular that would be interesting within these topics. Through visits and joint discussions we hope that we together could share ideas on how to encounter joint societal challenges together.

To make the planning of the meeting as easy as possible, please let us know as soon as possible if you are able to attend as well as the names of the representatives in your delegation.
